Subject: DOCKET # FAA-994926 MODIFICATION OF FREE FLIGHT ZONES

FAA-99-5926-48

I'VE BEEN A PILOT OF GENERAL AVIATION AIRPLANES SINCE 1955. I'M A BUILDER OF A HOME BUILT PLANE WHICH I HAVE FLOWN 954 HOURS SINCE 1983. I HAVE A COMMERCIAL TICKET FOR A "SINGLE ENGINE LAND PLANE". I HAVE VISITED NATIONAL PARKS AND HAVE A LIFETIME GOLDEN AGE PASSPORT.

I OBJECT TO THE MODIFICATION OF THE EXPANSION OF THE GRAND CANYON NATIONAL PARK SPECIAL RULES AREA AND FREE FLIGHT ZONES BEYOND THE INTENT OF THE 1987 PUBLIC LAW 100-91 BECAUSE IT COULD HINDER FREE MOVEMENT OF GENERAL AVIATION AIRPLANES OVER PUBLIC LANDS.

Sincerely,
HARRY ROBBINS
